Chemistry Chang 7th Edition

The seventh edition of General Chemistry continues the tradition of presenting only the material that is essential for a one-year general chemistry course. It strikes a balance between theory and application by incorporating real-world examples; helping students visualize the three-dimensional atomic and molecular structures that are the basis of chemical activity; and developing problem ...

Prof. Chang is famous for his well organized general chemistry textbooks. This book is no exceptions. Also the kindle edition is easy to carry and convenient. As a reference purpose, I am fully satisfied with its electric edition. BUT for the students taking the class, the paper edition may be better for the study.
