rental activities must make a formal election; merely aggregating all of the taxpayer's rental activities into one column on Schedule E, Supplemental Income and Loss, of Form 1040, U.S. Individual Income Tax Return, does not satisfy this requirement. 51 A qualifying real estate professional makes the election to aggregate all interests in rental real estate by filing a statement with the taxpayer's original income tax return ...

Navigating the Real Estate Professional Rules

Every development professional needs to be well rounded, as real estate development is extremely complex and requires analytical, financial, marketing, interpersonal and organizational skills. This is especially true with financial skills—developers need these in order to make the right choices when purchasing, financing, developing, and then selling or leasing properties.
