It's easy to search Wikibooks by topic, and there are separate sections for recipes and childrens' texbooks. You can download any page as a PDF using a link provided in the left-hand menu, but unfortunately there's no support for other formats. There's also Collection Creator – a handy tool that lets you collate several pages, organize them, and export them together (again, in PDF format). It's a nice feature that enables you to customize your reading material, but it's a bit of a hassle, and is really designed for readers who want printouts. The easiest way to read Wikibooks is simply to open them in your web browser.

Reforming The Rock Star Head

Title: Reforming the Rockstar Series: Head Over Heels Book #2
Author: Christine Bell Genre: Romance Blurb: When Sydney Metcalf's bestie asks her to cater her wedding, Syd can't say no, even though the thought of going back to her hometown makes her break out in hives. She's off to a great start until best man and rock god Lazlo Stone calls with a request for her to cater the bachelor party too.
