The Negative Ansel Adams Photography

Ansel Adams (1902-1984) produced some of the 20th century's most iconic photographic images and helped nurture the art of photography through his creative innovations and peerless technical mastery. The Negative --the second volume in Adams' celebrated series of books on photographic techniques--has taught generations of photographers how to use film and the film development process creatively.

The Negative (Ansel Adams Photography): Adams, Ansel ...

The Negative is the second book in Ansel Adams's 1981 three-book series about the fundamentals of photography. I've already reviewed the first book in the series, The Camera , and my sentiments there apply equally to this book, so you should check that out for my overall opinion.
