### Will There Be Parasyte Season

Now that can either indicate that there is a possibility of a new season or maybe it's just the way the creators wanted to end the show. In the unlikely scenario of the show getting renewed, Parasyte season 2 release date could be sometime in 2021. Though, if you look closely, the plot of the first season ends exactly where the manga comes to an end, so that again indicates that a new season may never come unless Madhouse decides to take up an original anime storyline.

### Parasyte Season 2: Release Date | Parasyte Characters ...

Unfortunately, there will probably not be a Parasyte: The Maxim season 2. The plot of season 1 ends exactly where the manga ends, meaning there is no material left to adapt the story from.
