This account of weather manipulation was recorded by a "witch hunter" in Swabia, which is now modern-day southern Germany. "A strange thing lately happened, as has been ascertained in Swabia: a little girl, eight years old, was led by her father, who was a bailiff, to visit the fields, and when he complained of the extreme drouth", she said she would soon get up some rain if there were need of it.

Storm Callers: The Art of Weather Magic | Exmptore

Weather and the power of Mother Nature herself is stronger than any human so I can't say that any of these spells are guaranteed to work. But people have been using weather spells of some sort to control the weather since before recorded time, so maybe there is something to it after all.
